SAC, Jackson has advised that Deavours Nix, a Klan Bureau Investigator and Number 1 Man to Sam Bowers, Imperial Wizard, White Knights of the Ku Klux Klan, Mississippi, appeared to be following SA [REDACTED] when SA [REDACTED] was returning to the Resident Agency in Laurel, Mississippi, on the evening of 9/28/65.

Subsequently when SA [REDACTED] pulled into the South entrance of the parking lot adjacent to the Resident Agency in Laurel, Mississippi, Nix entered the East entrance and remained in his automobile observing SA [REDACTED], SA [REDACTED] radioed for assistance and SA [REDACTED] responded.

b6  
b7c

Nix stayed in his automobile observing SA [REDACTED] for approximately five minutes and then left the parking lot and took a circuitous route to a restaurant which he owns and drove into the parking lot. SAs [REDACTED] and [REDACTED] confronted Nix in the parking lot and there was an exchange of statements as to why Nix was following [REDACTED], why he was interfering and was also admonished by Agents to discontinue. Nix stated he was going to get a warrant for trespassing. SA [REDACTED] indicated he knew of Nix's Klan membership and Nix asked "Did you call me a G-- D--- Klansman?" The Agents immediately denied this and again admonished Nix against any further interference with Federal officers.

This matter was presented to the U. S. Attorney's Office who declined prosecution of subject for violation of assault of a Federal officer as it did not appear that there was any forcible interference.

REC-69 89-1261-

Captain [REDACTED] Laurel, Mississippi, Police Department, advised that Nix filed a sworn affidavit charging "John Doe, Tag #10765 with using profanity in a public place." SAC, Jackson has advised that this affidavit has been handled.

## FEDERAL BUREAU OF INVESTIGATION

Date 10/8/65

On September 28, 1965, at about 7:00 p.m., SAs [redacted] and [redacted] were all in Unit 33 outside of Chancellor's Restaurant, Highway 11 South, en route to the Laurel, Mississippi, Resident Agency, when they received a radio call from SA [redacted] in Unit 34. He said that someone was following him in a car and requested assistance.

Unit 33 answered the call and immediately traveled north on Highway 11 and 59. Unit 34 kept Unit 33 advised of his location, and Unit 33 turned off at the Cooks Avenue exit. As Unit 33 approached the rendezvous, Unit 34 advised that subject was in a late model, light blue Thunderbird. At the five points corner in Laurel, subject's car turned into John's Restaurant parking lot, and Unit 33 pulled in behind him. Subject then got out of the car and was observed to be a white male, age 38 to 40, 6 feet 1 inch, 175 pounds, black hair, and blue eyes.

b6  
b7C

At this point, SAs [redacted] and [redacted] approached the subject and asked him if he was trying to interfere with Agents on official duty. He told them to get off his private property or he would call the police. He then went to the back door of the restaurant and called something inside. He was then asked if he had some problem. He then said that he would have all the Agents put in jail. At this point, the Agents all left and proceeded to the Resident Agency.

During the entire conversation between the Agents and the subject, Agents [redacted] and [redacted] were sitting in the back seat of Unit 33 and were able to hear the conversation. At no time was there heard any profanity on the part of the Agents.

On September 29, 1965, the results of the investigation in this matter were made known to the Assistant United States Attorney [redacted], Jackson, Mississippi, by SAC ROY K. MOORE, [redacted] advised that had NIX disembarked from his car and made a threatening motion or gesture, there might have been sufficient evidence, but he did not feel that the surveillance by NIX was sufficient to justify prosecution in this matter.

On September 28, 1965, Captain [redacted], Laurel, Mississippi, Police Department, advised that DEAVOURS NIX, who operates John's Cafe in Laurel, filed a sworn affidavit with this Department on the night of this date charging "John Doe", Mississippi vehicle license number K-10765 with using profanity in a public place.

b6  
b7C

[redacted] advised that he was aware that this license was issued for a vehicle of the FBI, which was used in the Laurel, Mississippi area.

On September 30, 1965, Chief of Police L. C. NIX, Laurel, Mississippi, Police Department, not related to DEAVOURS NIX, advised that no attempt would be made to serve the warrant in connection with the charge since NIX's reputation was very questionable and he was reportedly a state Klan official.

On September 30, 1965, Mayor HENRY BUCKLEW, Laurel, Mississippi, advised that he was well aware of the reputation of DEAVOURS NIX, and that this warrant would not be executed against an Agent of the FBI.

On October 1, 1965, Chief of Police L. C. NIX, Laurel, advised that DEAVOURS NIX had signed a second affidavit charging [redacted] with the same charge in connection with the above incident. Chief NIX advised that this warrant would be handled in the same fashion as the previous one.

JN 89-10

On October 1, 1965, District Attorney [redacted] Laurel, Mississippi, advised that the section of the Mississippi Code which deals with the interference of an officer would not apply to a Federal Officer, and therefore there could be no prosecution of NIX in this incident under this statute.

On November 4, 1965, Chief of Police NIX and Mayor HENRY BUCKLEW of Laurel advised again that these warrants would not be served.
